MEMORANDUM FOR RECORD

SUBJECT: Plan for Establishing a TALENT Control Area in HQ USAF

1. The Headquarters USAF TALENT CONTROL AREA will be established under the direction and supervision of the Director of Intelligence, Headquarters USAF. Colonel James H. Macia, Jr. will be designated as the TALENT Security Officer and Major Jack Nabors will be designated as the TALENT Control Officer. These are interim designations for the organizational period and may be subject to change at a later date.

2. The TALENT Control Officer will be located in a compartmented section of an AFOIN COMINT secure area (AFOIN-1A3). He will receive, and dispatch all materials from this office and will maintain all records pertaining thereto at that location.

3. Secure and compartmented exploitation and storage areas will be established, in accordance with the provisions of the TALENT Security Manual, in AFOIN-1A2, AFOIN-2, AFOIN-3, and AFOIN-4. Only those materials, which a Directorate of Intelligence (D/I) component must have, will be made available to those units. In each case that materials are made available to a D/I component on other than a temporary, day to day, loan basis, a subordinate TALENT Control Officer will be designated to receive, control, and store the materials in a secure area of the organization.

4. The components of D/I perform functions, as indicated below, with respect to this type of intelligence material.
